

07 SMALL PARTS 1 - BOTTOM PANELS (K2, U2, S3)

These close the keyboard, mouse and stand foot from underneath (they will not be seen).
Print at 100 % / 'Actual size' (NOT 'Fit to page'). Best on 200-250 g/m2 card; or glue the print onto thin card (cereal box).

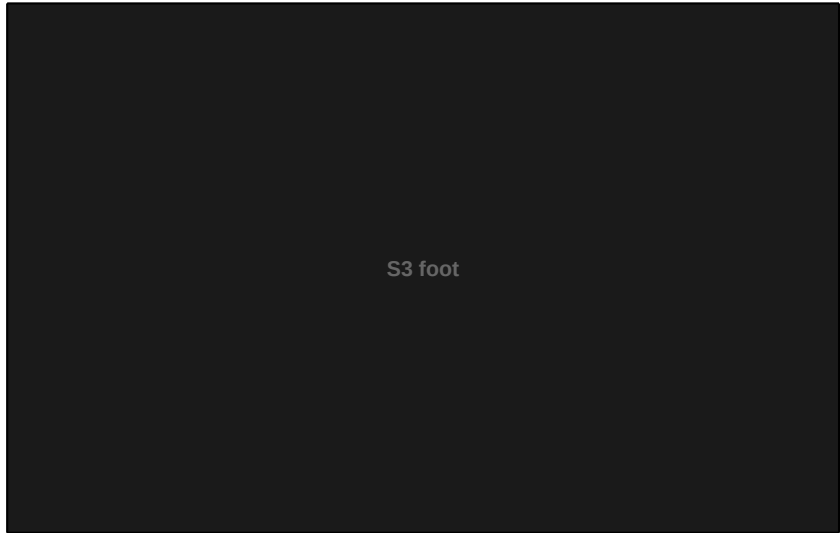

K2 keyboard bottom

U2 mouse bottom

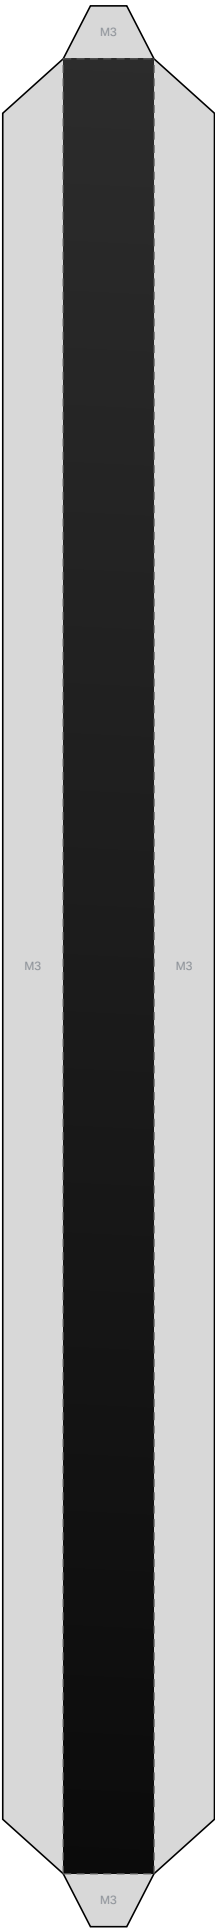

S3 stand foot bottom

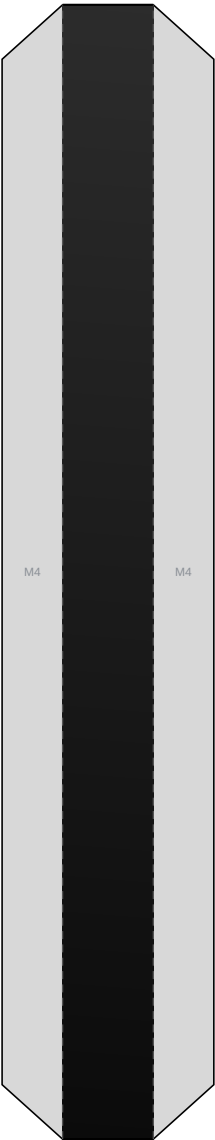

07 SMALL PARTS 2 - MOUSE (U1) + MONITOR WALLS (M3, M4, M5)

U1: fold walls down, glue corner tabs, close with U2. M3 = monitor bottom wall (24 cm),
M4 / M5 = monitor side walls (15 cm). One long tab glues inside the back M2, the other under the screen M1.
